## CLARIFICATIONS

In combat resolution rule 9.5.5 expand the text thus:

"Place a 'Bloody Streets' marker into the Area  
(4.5.7) if it is Light Urban, Heavy Urban, or Zitadelle."

At the end of the rules for combat rename rule 9.5.8 and expand the text thus:

**9.5.8 Marker Removal.** Support markers used in Combat Resolution should be removed from the Area they were placed in and relocated to the Used Support Units Box printed on the map. They are unavailable until purchased in a future Supply Phase.  
A Bloody Street marker in a Light Urban, Heavy Urban, and Zitadelle Area that is no longer Contested should be removed from the map.
