

Blind Swords Series Rules Revisions 11/30/2021

7.3 a. Fortunes of War-if this chit is drawn as the last chit of the turn there is no effect on the first chit of the following turn.

11.0 - first bullet point should read; Cohesion tests resulting from the Defensive Fire are resolved on the Fire Combat Cohesion Test Table. Cohesion tests resulting from the Attackers Close Combat use the Close Combat Cohesion test table.

11.0- second bullet point should read; A Close Combat Cohesion Test is always required after a Close Combat attack regardless of the result achieved on the Combat Results Table.

11.0 d. it is possible that after defensive fire and modifiers that the remaining attacking units have a modified column of less than the "C" column. In this case the attacking units suffer a deplete result and retreat 3 hexes.
