

Gazala: The Cauldron Errata Version 1.0

Errata:

The British 1 KR Rifle Corps unit of the 4th Armored Brigade should have its first number, 6 printed in white to show the hard value as defense only. The back of the counter is printed correctly. The front should look like the picture below.

Player Chart- The combat modifier of -2 for attacking along a road across an escarpment also applies to attacking along a track that crosses an escarpment. Escarpments may not be attacked across except where crossed by roads and tracks.
